

THE SWINGAWAY BED

KEY FEATURES

- DIY assembly and installation within 2 hours (on average)
- Can be free-standing or hidden inside a cabinet or behind curtains or blinds
- Suitable for everyday use or the occasional guest
- Can be used with an array of mattress types
- Patented, counter-balanced spring mechanism allows light lifting action
- Horizontal option available in a single size
- Most sizes held in stock for same day dispatch

The SwingAway bed is a simple to assemble DIY wall bed, requiring only a few basic tools and fixings. This makes it the perfect bed for the DIY enthusiast as it does not require a skilled person to install the bed. The SwingAway bed can be installed with minimal effort by attaching it to the floor and wall. Once the bed is installed it can be used immediately.

The bed's versatility allows it to be used almost anywhere. It can be used on its own, or can be hidden away behind a curtain, blind, or inside a cabinet with bi-folding/sliding doors for optimum effect. Its compact design makes it the ideal space saving solution for a dual purpose room. Cabinets can also be retro-fitted at a later stage to house the bed.

The horizontal version is available in single size (3ft) and is a great space saving solution for those with low ceilings or height restrictions. The SwingAway Horizontal bed is designed to fold lengthways against the wall and with just a little imagination the style of room can be transformed.

Due to its simplicity and easy installation The SwingAway bed is one of our best selling Wall-Beds and is available in various sizes including Single, Small Double and Double. As this is one of our most popular beds we keep it well stocked and available for same day dispatch.

Limited 5 YEAR warranty on manufacturer defects. Misuse, abuse, or damage by misapplication are not covered. Please note: wall bed frames and mechanisms are illustrated with cabinets and doors (purchased separately) for demonstration purposes only.
